

For God So Loved

Ephesians 1:3-14

Why did “God so love the World” the way He did?
God loved us and died for us when we were weak and at our absolute worst (Romans 5:6,10).

Why?

Two reasons. God wants to make His grace look great and God wants us to make a big deal of His great grace.

This may seem self-serving on God’s part, but God knows that our deepest need is to make much of Him through Christ and of His great sacrifice for us (Ephesians 1:3-14).
